

Mrs Hadgraft

What people like and admire about me...

I like things to be orderly and tidy.

I like to work quietly, but like to think my ideas out loud.

If there is a problem, I will always look for a way to solve it.

What makes me happy

I love to spend time with my family.

I enjoy reading all genres of books.

I love to garden in the spring and summer.

How I want to be supported...

Talk to me and tell me what the problem is. As soon as I know about it, I can do something about it.
