

Mrs Wilkinson

What people like and admire about me...

I try my best to be calm and patient.

I am kind, nurturing and good at listening.

I like to think I am funny and have a good sense of humour!

What makes me happy

Going on holiday
My family and friends
Cuddles with my dog Dixie
Harry Potter
All things Disney, especially the villains
Chocolate and cake!

How I want to be supported

I am not very techie, so sometimes need to be shown how to do things on my laptop.
I worry if I don't know how to do something or I'm not sure what to do, especially as I'm new at Ranelagh, so any advice is welcome!
I like to be supported in the classroom by the children remembering to 'choose it, use it and put it away'.
